Selected by a committee of senior teachers, these students represent an elite few who dared to try harder, who dared to set an example for others. Not necessarily the most intellectual students of the senior class, they are the undisputed leaders of Permian High; we pay tribute to them: the members of the Senior Hall of Fame.

As We Begin Another Year,

Did you see that? One of the Pepettes forgot her pom-poms!

Junior high was never like this.

Is it true they give a prize for the first sophomore who dates a senior?

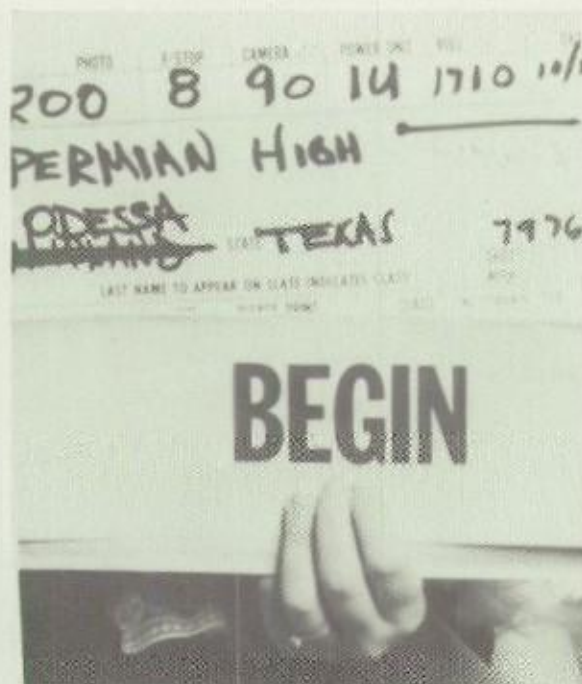

Name . . . class . . . age . . . How's your love life?!

Let's see . . . Z-16 . . . AGGIE WAR HYMN.

I'm sorry, but there's no such thing as a "Get out of D Hall free" card.

Roll 'em!

We Enter A New Era Of Our Lives

An orientation session for sophomores was sponsored by the Student Council August 12 to give the new students a taste of the life at Permian. The sophomores met many school leaders and were given a tour of the school. As a final act of welcome, the Student Council sponsored a "Howdy Dance."

My opinion of string bikinis? Are you kidding?

We Meet New Challenges . . .

On June 8, 1974, six Permian students joined fourteen other students from various Odessa schools for a ten-day backpacking trip to the Pecos Wilderness, New Mexico. Prior to the start of their journey, the students spent two days in orientation. Three quarter credits were given to the students for their work.

And Fantasy Is Involved In Our Daily Lives.

"The Skin of Our Teeth," by Thornton Wilder was the first production of the PHS drama department. Performances were given November 7, 8, and 9. The three-act play was the story of a family's journey through time.

Sophomore Pepettes?

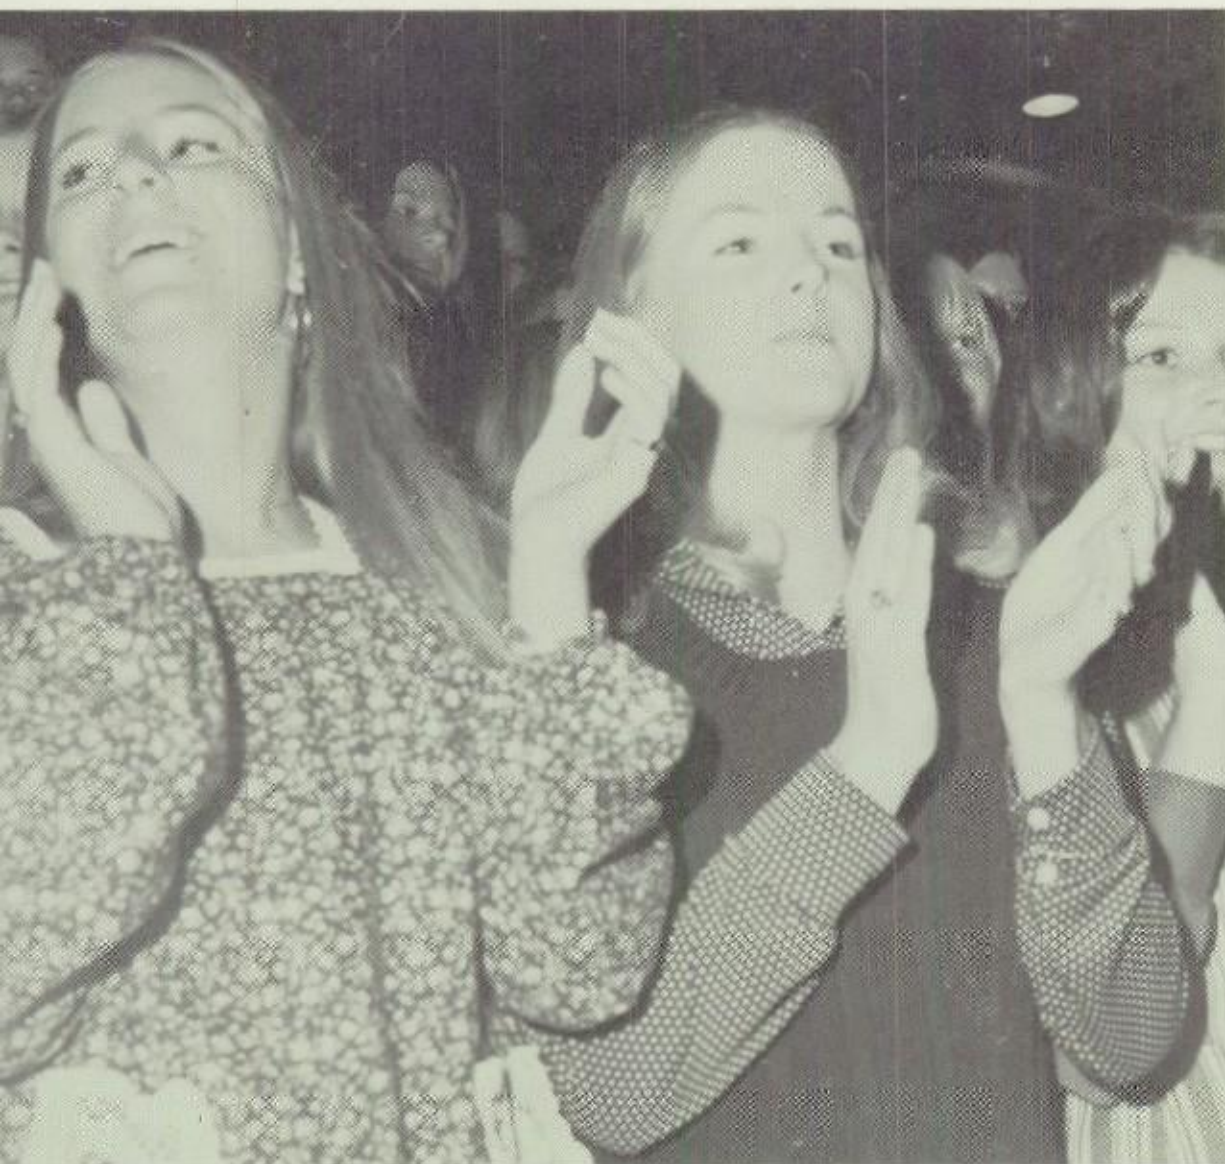

All right, who stole the clapper?

Go! Go! Get 'em! Get 'em! Mojo!

I knew Mrs. Jeffers wouldn't last the whole season.

Hmm! So those sophomores think they can yell better than us!

Let's go throw her in the duck pond.

That Is Permian.

A clash of colors, noises, sights . . . The Panthers gather, bringing tension, spirit, and good times together in one unbeatable combination.

It's not working!

In the mood!

Longings And Dreams Are Hoped For Throughout The Year . . .

I wonder if they let them "liven up" the punch this year.

Do you see the concern in this eye?

It's wonderful to be wanted.

Just three more dances and then it'll be your turn.

Now where did he go?

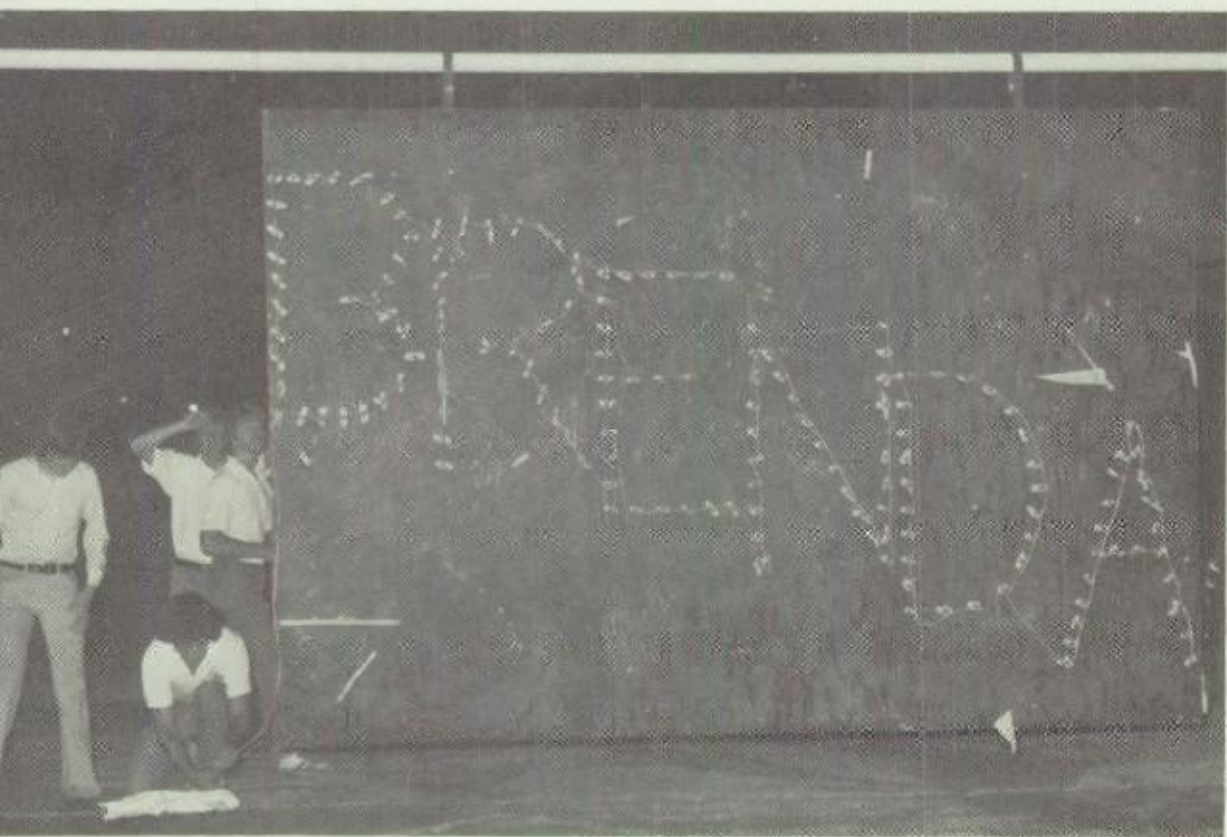

A token of love today, a memory tomorrow.

Eat 'em up, Panthers!

Now you tell us it's supposed to be in the fieldhouse.

Jeff, I don't think rubbing two sticks together is going to work.

"I'm the journey, and you're the journey's end."

This one little piece of cake won't hurt my diet.

And For One . . .

"We May Never Pass This Way Again." The popular Seals & Crofts tune was the theme of Permian's Homecoming, October 25, 1974. The Student Council sponsored an afternoon tea; and following the victorious game against Abilene Cooper, the fans attended a dance in the PHS auditorium. The Pepettes sponsored a tea for all old pep squad members.

"These typing classes sure get hairy!"

"I am one 'Heck' of a woman!!!"

It has been said that the Cinema dies after the show is over and everyone goes home, for it exists only when an actor performs before an audience. Shakespeare once said, "All the world's a stage, And all the men and women merely players; They have their exits and their entrances; And one man in his time plays many parts, . . ."

Permian High School too, is a stage, and each student, teacher, and administrator has his own unique part to play. Our cast consists of a conglomerate of gymnasts, tracksters, swimmers, football players, Pepettes, band and choir members, and numerous other talented, accomplished people. And for the most part, our actors are *real people* just like the rest of the student body that is sometimes forced to move in the shadows of these "stars."

Each individual enters Permian with a touch of stage-fright and exits leaving a measurable part of himself in the hall of fame. He may leave with an oscar of self-satisfaction for having done his very best, no matter whether it be in sports, music, or organizations. The oscar may have been awarded for sincerely listening to other people or for giving a bright smile to someone who needed to know that there are those who care. It could have been awarded for just having graduated. That in itself is a *big* accomplishment!

Although we may be leaving our stage here at Permian, we have other roles to play in life. And when the curtains close on this particular showing, we can still take a peek behind them, in our minds. Memories don't fade away with the bright lights, especially ones like the 6 to 3 victory over Midland High, the giving of ourselves to needy children at Christmas, the seniors' last pep rally, the outstanding efforts of the basketball team, and the "rounding out" of Permian's ideals and personality. Though the Cinema's existence is brief, it continues to live in the memories of those who shared Permian's unity and full depth of character.

Kandi,
 you are one
 of the most won-
 derful people I have
 met this year. You are
 always happy and I can
 tell you are a Christian. You're so
 especially in English. I think if you have been
 have been loved to death if you weren't in here.
 you are always so nice to me and I hope we
 can be even better friends that makes people want
 to be around you. This will always be an advantage
 to you when you strive for your goals. I don't want
 doubt that you will always achieve whatever you want. I
 hope we have a lot of classes together next year because I
 we don't want to get to talk to you much since we can't
 perfect. God bless you. Always stay like you are. You're almost

Kandie,
 It has been said before
 but, truthfully, you
 are one of the nicest
 girls I've ever met.
 You are a friend I want
 to know forever. I hope
 to get to know you better.
 Till Again Tony Atkins

Kandie,
 Well it sure has been
 a pleasure of being around
 you this year. All probably
 remember Dallas forever. It
 was even fun. Hope you
 some kind of summer and that
 you'll be in some of my classes
 next year. Good luck in the
 future in all that you do. Take
 it easy. See you!!!

Kandie,
You're one of
the nicest girls
I don't know. All I
know about you is that
you dress like a turkey? and
do know that if I had everything
you have it would be all right.
Good Luck in the future, dress sharp,
drive carefully, don't let Mrs. Moore get
you down, take it easy this summer and
next year, and take Centol twice
a day to be sure.

Kandie,
I'm really
glad I met you
this year. You're a
very sweet person and
I have really enjoyed having
English with you this year. Good
luck in the future. May God bless you.

Thank goodness
this year is almost
over, and with it, that
great love rehearsal. What
you will be soon, and then
you'll run off and I'll probably
never see you again. But which will
still in school together. It's fun.

Monday
a beautiful person. &
could like my wife to be
you and that is the truth
you are so alive & funny & wonderful
& can't express my true feelings but I
really enjoy being close or near you. I know
I have love affair (Ha!) I am star crossed. When
you pick a husband be sure he is rich, good looking,
a member of the Country Club (anybody who's anybody is in the CC)
and is a good person. How have lots of fun, but don't get rough.
Also try not to do things that you don't want other people to
know about. & try to analyze the people about you and decide who is
good & who is bad. Keep good people & get away from the bad except the
dangerous ones. & try to stay the way you are & don't ever change except for the
better. I really love you.

G. Z. U. is great

P.S. I sit in your desk every
time I get.

Kandie,
that's this class been great?!
I really wish we could all be
together next year with Mrs. Moore
as our teacher. Remember all the
fun we had back in Juniority? I'll
never forget it. You are one of the
sweetest people I know. I love the
soft way you talk. Take good care
of yourself and I'll see you this
summer.
Love,
Jeffery

Kandue,

I hope you are able to read this and Johnny will be happy to fill up this whole square that this summer this square reminds me of your person-
I'm sure you will, you need it! Stay Cool! Yours,
Jerrie Cooper
Fr. 14-15

Randie,

Well we didn't know each other until this year, but I've found that you are one of the sweetest and cutest girls around. We have had a lot of fun in History especially laughing at Ricky. We've become good friends this year and I hope we are always and grow closer over coming years. Stay sweet + be good! Ha.
Love,
Mundi

Randie,

Can you believe another year has gone by? It's been 5 years. Everything goes by so fast. We've had the best times together. We've done the funnest + craziest things together + really had a good time. Like everything we've had our ups + downs but our friendship has stayed on + I hope it lasts forever. We'll have to stick together when Terrie gets married. She'll probably come along, life and big party! Sounds like fun.

Last summer was really fantastic + we ought try to make this one better. Hope all the luck + happiness comes your way. Be sweet + stay ~~cool~~ cool + we'll always be friends.
Valarie

Randie,
You're a really great person. I'm really glad I've come to know you. It's been great in English this year. You've got great looks and a personality to match. Maybe we'll be in a class together next year. Good luck in the future.
Bryan Miller (D.R. 74-75)

Kandie,
ever since I met you at band camp a couple of years ago, I have really enjoyed getting to know you. Your great beauty that is exceeded only by your warm personality. You have a pretty smile that makes the world want to smile back. I wish we had English together still, but maybe next year we can have some classes together ~~next~~. Maybe band if I can play with that metronome???. I have enjoyed our after schools chats even though they are not too long. Maybe I can have a long talk with such a charming person as you. I have really had a lot of fun being around you, because you are so sweet. See you next year.

Love, Dudley Jr. 15

P.S. I hope that neither one of us has 76-fty in our squads next year. I'll resign if I do.

Kandie,
Well, the end of our Jr. year is only 4 days away. We've done a lot together this year - good & bad! (But mostly good!) You're a lot of fun to do things with & I'm really glad we became such close friends. I never thought that telling each other all our problems in health in the 10th grade would result in the really great friendship we have now. You're a beautiful person both inside & out. We sure have had the boy problems this year, haven't we? If you've helped me so much in that area. You are your own person & I truly admire that quality in you because not ^{many} people are blessed with that characteristic.

Kandie, I know our friendship will continue to grow & I hope we get a job together this summer. You're a great friend & I'll never forget ya. Stay sweet & hope that we get in the same band squad next year & maybe some classes together! Jrs: 75 - Jrs: 76 Love, & me

Kandie,

 car too hard. I hope you are always as happy
 as you seem to be, and I have yet to have noticed
 you being in a bad mood. Good luck, and I know you'll
 have a great summer. Robert

Kandie,
 I just met ya
 this year in fashion
 it's been nice daffy

 at least I hope so. That's
 sincerely meant and I
 hope it comes true!
 God Bless you.
 Love.

Kandie,
I'm so glad I got to know you better
this year, cause you are so sweet. You are
just like a daisy on a beautiful spring day.
You are an absolutely beautiful person with gor-
geous hair. I hope we have more classes
together next so I can get to know you better.
Maybe we'll march beside each other in the
M again next year. That was really fun. Stay
sweet & don't ever change.

Love,
Teresa "T" 75

Kandie,
you watch out next year as to
not get caught getting a thrill out of
band. Keep the batteries up in the
mini record player. We're gonna ~~have~~
have to get together sometime + party.
Your senior year ought to be a blast
and I'm sure you'll try your best to
keep it that way. Work hard in band
so it will be greater than ever. It really
is a good organization to be in most
of the time! Keep up the joint sessions
+ be careful. Keep a smile even when
Chuck catches ya and gives ya the ol'
"gobo - - -" look he's popular for.
